

## Jerzy Mieczysław Wiśniewski

---

Jerzy Mieczysław Wiśniewski is a graduate of the Poznań University of Technology. In 2004, he earned an Executive MBA degree. He started his business activity in 1994, when he set up a company providing gas services. He transformed a family business into a Group whose parent was PBG S.A. Since 2004, the Group companies have been involved in the execution of Poland's largest projects in the gas, building and power construction sectors.

He was awarded the Class II Mining Engineer title by the Minister of Industry and Trade, and in 2009 he received the Grade III Mining Director title from the Minister of Economy for his commitment to the mining industry. He also holds a certification from the Ministry of State Treasury to serve on supervisory boards of state-owned companies. In 1997, he received a bronze medal for outstanding services to the Polish mining industry and commitment to its development, awarded by the Minister of Economy. In 2004, Mr Wiśniewski was awarded Silver Cross of Merit by the President of Poland. In recognition of his patience, skills in finding people of exceptional talent and sharing his success and knowledge, in 2009 he was named one of top five personalities of the Polish capitalism in the Ace of Poland's 20 Years of Capitalism competition, organised by the *Puls Biznesu* daily. At the PBG Group, he is responsible for strategy development and implementation.

At present, Jerzy Wiśniewski serves as President of the Management Board of PBG S.A. and member of the supervisory boards of:

- PBG Dom Sp. z o.o.,
- PBG oil and gas Sp. z o.o.,
- PBG Erigo Sp. z o.o.,
