Ms Helena Fic provides comprehensive legal services for infrastructure projects in the oil and gas, specialist construction, and power sectors, including projects carried out in public procurement procedures. Her work involved negotiations of significant industry contracts to ensure optimisation of a bidder's position vis-a-vis the contracting authority and the position of her clients vis-a-vis the other partners in business projects. Ms Fic has gained expertise in handling domestic and international relations. She has practical experience in complex restructuring processes, ownership and organisational transformations and bankruptcy proceedings. Helena Fic has professional experience in providing comprehensive legal advisory on corporate matters and day-to-day operations of companies, including public companies.

Ms Fic is fluent in English and French.
